

Protection (General Protection, Child Protection, Gender-Based Violence)

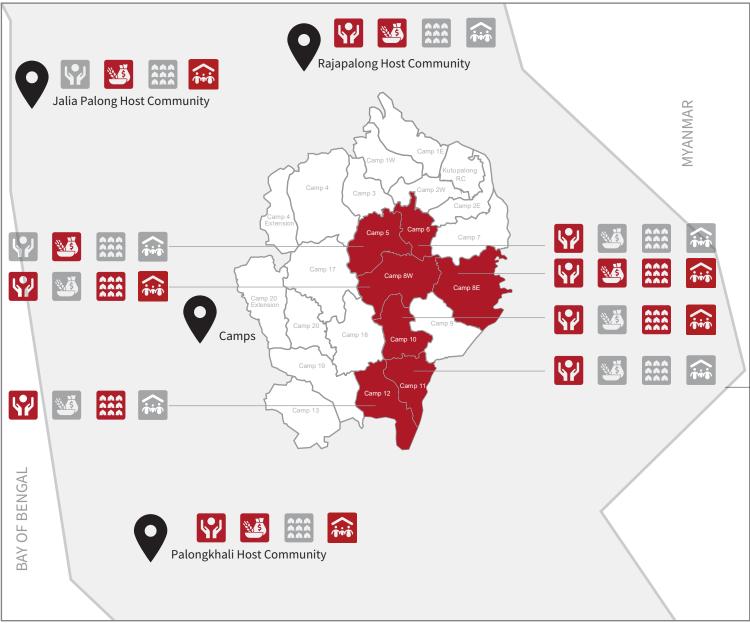

Economic Recovery (Livelihoods, Environmental Protection and DRR)

AT A GLANCE:

- · Registered in Bangladesh in 2013, DRC started working in Bangladesh right after the August 2017 Rohingya influx in Cox's Bazar from Rakhine state of Myanmar.
- · In 2022, DRC Bangladesh reached 279,184 people (52% female, 48% male).
- · DRC has planned to expand its presence beyond Cox's Bazar. Target geographical areas from 2023 onwards will be Cox's Bazar Rohingya response, Chittagong Hill Tracks, Haor region (flood prone areas), coastal belts and urban / peri urban areas.
