

Tender Questions & Answers

FROM:	DANISH REFUGEE COUNCIL
Tender No:	RFP-RO02-001762
Tender Title:	Researcher for climate change and mobility
Tender Issuing Date:	6 Dec 2023
Tender Closing Date:	19 Dec 2023

Danish Refugee Council RO02 has in reference to above tender period received the following questions

to the Tender, and hereby provides responsive answers by best endeavour to all relevant Vendors & Suppliers.

#	Enquiries to the Tender		
	Date	Question	Answer
	07-12-2023	Not clear if you are looking for a firm or an individual consultant ?	Yes, individuals can apply but to provide with tax certificate registered in the relevant country where the consultant has its place of business.
	08-12-2023	Should applicants consider tender files that published, or is submitting a proposal and CV sufficient ?	Yes, kindly submit all the required documents and sign the needed forms in tender package, not only a proposal with CV. The consultants can submit their own template for technical bid.
	08-12-2023	TOR mention interviews that should complement the gaps of the literature review, but don't give further details about the type of interlocutors, the locations, and the total number of interviews that DRC deems useful. If possible, could you elaborate on this?	Key informant interviews in the region. Location to be determined. Potentially 10-20 interviews, hard to say at this point. We need your input on this too, on what is feasible and useful
	15-12-2023	Could we apply as a research-consultancy company, form a team of 4 researchers and submit a proposal within the total number of consultancy days?	Yes, you can apply to one of them or both consultancies under one proposal as per the total number of consultancy days as per each RFP and TOR

On behalf of DRC

Yours sincerely,
